

UNIVERSITY
OF WARSAW

Faculty of Mathematics, Informatics and Mechanics

Dean, Professor Paweł Strzelecki

WMIM/1210/EK/05/2024-A

**Assistant Professor (*PL: adiunkt*) positions
academic positions in the group of lecturers are available
at the Faculty of Mathematics, Informatics, and Mechanics**

Pursuant to the Law of Higher Education and Science, the University of Warsaw invites the applications for the positions of Assistant (*PL: adiunkt*) in the group of lecturers: **1 position** in the **Institute of Informatics**.

Terms of employment: starting date 1st October 2024 or 1st February 2025, full-time job, fixed term employment contract for 4 years. On positive assessment in the first year of the employment, the contract can be extended for an indefinite period. The candidates should have some research experience and be committed to teaching (360 teaching hours per academic year). The basic salary (before taxes) is 8 515 PLN per month; in many cases, this amount is further increased by ca. 10–40%, due to salary bonuses that are granted to active members of the faculty. We offer our employees a generous package of social benefits, including healthcare, insurance coverage, access to training programs, and dedicated support for career development.

Requirements. Successful candidates for the Assistant Professor (*PL: adiunkt*) position should have:

1. a Ph.D. in Mathematics or Computer Science, or other related fields;
2. at least 5 years of teaching experience and willingness to enter into organisational activities related to teaching;
3. very good students' assessments or awards or distinctions for highly qualified teaching;
4. ability to teach in Polish.

Applications should be submitted to the Dean's office via website with the following attachments:

1. a cover letter addressed to the Dean of the Faculty of Mathematics, Informatics and Mechanics,
 - with the signed consent to the processing of personal data for the purpose of recruitment in accordance with the GDPR Regulations (cf. attachment);
 - containing the phrase: *I hereby confirm that I am aware that the recruitment process is an open competition, governed by the [Statute of the University of Warsaw](#), par. 119 and I accept these rules.*
2. a copy of a PhD diploma;
3. an academic CV with a list of publications, cf. sample documents at <https://www.mimuw.edu.pl/en/open-positions>;
4. copies of selected publications (not more than 3);
5. names, affiliations, and contact details of 3 possible referees.

Applications and all required application materials should be sent using the application form:

- [Position at the Institute of Informatics](#)

Application deadline: 26th June, 2024

The applications will be evaluated by the selection committee appointed by the Dean of the Faculty of Mathematics, Informatics and Mechanics, University of Warsaw, Poland. A candidate may be invited to an interview by the committee. The decision date is **15th September 2024** (an e-mail notification will be provided). The competition is the first stage of the recruitment process as described in the [Statute of the University of Warsaw](#), the recommendation by the selection committee being a basis for subsequent stages.
