

Curriculum Vitæ

Michał Włodarczyk

Positions

- 6/2023 - current University of Warsaw, Poland
Assistant Professor
- 10/2022 - 5/2023 Ben-Gurion University of the Negev, Israel
Postdoc under supervision of Prof. Meirav Zehavi
- 10/2019 - 9/2022 Eindhoven University of Technology, Netherlands
Postdoc under supervision of Prof. Bart M. P. Jansen

Degrees

University of Warsaw, Poland:

- 2014 - 2019 Ph.D. in Computer Science, advisor: Prof. Marek Cygan
- 2008 - 2014 M.Sc. in Computer Science, advisor: Prof. Marek Cygan
- 2008 - 2013 M.Sc. in Mathematics, advisor: Prof. Michał Komorowski

Grants

- 8/2024 - 7/2026 NCN (Polish National Center of Science) “Sonata” grant
“Efficient algorithms for NP-hard problems on planar graphs”
- 2/2017 - 1/2019 NCN (Polish National Center of Science) “Preludium” grant
“Approximation algorithms under data uncertainty”

Program committee membership

- 2024 International Workshop on Combinatorial Algorithms (IWOCA)
- 2024 Foundations of Software Technology and Theoretical Computer Science (FSTTCS)

Honors and awards

- 2020 Finalist of the ERCIM Cor Baayen Young Researcher Award
- 2019 Witold Lipski Prize for Young Researchers in Computer Science in Poland
- 2019 START scholarship awarded by Foundation for Polish Science
- 2019 Ph.D. degree granted by University of Warsaw with a distinction
- 2016 Best Paper Award and Excellent Student Paper Award for the work *“Clifford algebras meet tree decompositions”* at International Symposium on Parameterized and Exact Computation (IPEC)

Internships

3-month software engineering internships:

- 2016, 2017, 2019 Google LLC, Mountain View (USA), New York (USA), Zurich (Switzerland)
- 2015 Palantir Technologies, Palo Alto (USA)
- 2012, 2014 NVIDIA Corporation, Santa Clara (USA)
